

# **Communication and Media in Asia Pacific (CMAP)**

---

CMAP aims to provide a forum for research in communication and media that focuses or has an influence on the Asia Pacific region. Double-blinded, peer-reviewed with at least two reviewers per article, and published biannually (January – June and July – December), it will provide new perspectives on thematic issues through empirical and theoretical studies that can expand knowledge and enhance understanding in Organizational Communication, Journalism & Mass Communication and Aesthetic Communications.
